Bulletin Board

Thanks for making PTV such a success, and thanks for your interest and willingness to go that extra mile for Mississippi students. I will be listing all the schools that participated in future bulletin board postings.

This year, students participating in the Mock Election will be voting on their favorite state landmark! We have also given them the opportunity to write in their favorite if it is not listed.

We are very excited about the Mock Election this year and can't wait to receive your pictures. I will be posting them to our bulletin board so that other teachers can see your good ideas.

Remember this year's Mock Election is November 3-5. We have posted the ballot on our website (www.sos.ms.gov/ptv)

Please don't hesitate to contact me if you have any questions!
